

Girl Security Statement on Anti-AAPI Racism and Hate

Girl Security honors the victims and families of the Atlanta shootings and stands in solidarity with all members of the Asian American and Pacific Islander Communities. We condemn acts of Anti-AAPI racism. Racism has no place in our community - or our democracy, which only continues to thrive because of the historic and rich diversity of America's communities, populations, cultures, and perspectives. The rise in Anti-AAPI hate must not be tolerated. Never before has there ever been a more urgent demand for empathy for targeted communities and action to ensure justice and fairness.
